

Mummy & Me

Children aged 17 months to 3 years where a grownup be that mum , dad, grandparents or any other special grownup actively participates and shares dance, songs, rhythm movements, props and instruments together,

Big Girl Ballet

Stricking the perfect balance between structure and fun. Our specialised ballet program will focus on developing ballet technique as new steps are introduced to challenge and extend our young dancers, while using the use of imagery eg Butterflies and fairies

#1 Preschool Program

RAD Pre-Primary Ballet, Tap & Jazz

Pre-Primary in dance is progressive structured exercises and dances which then can lead to recognised achievements in the near future. This is the foundation grades that prepares students for the transition into next grades.

Tap introduces studnets to tap rhythm & technique in this fun class. You dancer will start to show rhythm, control, gross motor skills etc.

Jazz Petite Jazz is the perfect way to start developing the co-ordination and skills of basic dance as well as learning splits, stretches etc
